SAKE FLIGHT

A 2oz sample of Three Japanese Sakes | \$30

These wonderful sakes have been paired by Master Chef Toshi Kizaki to
showcase a wide array of styles from various prefectures across Japan

PREMIUM SAKE

Sparkling

Hakkaisan Clear Sparkling 'AWA' Niigata 720ml **140**
SMV: -.5 Acidity: 1.4

Hakkaisan Clear Sparkling 'AWA' is made using a secondary in-bottle fermentation to create a clear & elegant sake. It has a lovely fruity aroma and refreshing taste that is rounded out with a gentle sweetness yet crisp finish – a perfect sake to toast for any occasion.

Junmai Daiginjo

Kubota Manju "10,000 Long Lives" Niigata 720ml **150**
SMV: +2 Acidity: 1.2

This unbelievably clean sake is perhaps too drinkable, with the phantom finish leaving you wondering if you ever swallowed. A nose balanced between honeysuckle and white flowers gives way to a bright, citrusy palate including fuji apple and tart pear.

Suehiro Ken "The Sword" Fukushima 720ml **160**
SMV: +4 Acidity: 1.3

A dry sake that provides a vibrant nose filled with notes of watermelon, strawberry, and cantaloupe. The twangy palate is highlighted with strong minerality and notes of ginger, anise, and grapefruit. A beautifully balanced Junmai Daiginjo that still has attitude.

Dassai 23 "Otter Festival" Yamaguchi 720ml **180**
SMV: +3.5 Acidity: 1.4

One of Japan's most highly polished sake with just 23% of the grain remaining. A nose bursting with flowers, honeydew, grapes and the strong minerality from the water does not disappoint. A palate full of fleshy plums and crisp honeydew proves why this is the standard for premium sake.

Shichida "Junmai Daiginjo" Saga 720ml **155**
SMV: +2.0 Acidity: 1.5

The Tenzan brewery started when the Shichidas bought some brewery equipment to help a local brewer who went bankrupt. The same kindness is used in Tenzan's sake brewing, which is exemplified by this luxurious sake. The bright, floral nose followed by the light, peach flavor will lift your spirits with cheer.

Daiginjo

Kurosawa 'Premium Reserve' Nagano 720ml **150**
SMV: -1 Acidity: 1.4

Light & Smooth. Elegant. Well Balanced. Delicate Entry. Lingering Tail. This Kurosawa Daiginjo Premium Reserve was specially brewed to celebrate the 10th Anniversary of Kurosawa Brewery's introduction to the United States. Enjoy this sake while you can, production is very limited on this special brew!
